

How to Connect your School Laptop to your Home Wi-Fi

1. Click on the “Wi-Fi Bars” in the lower right corner of your screen.

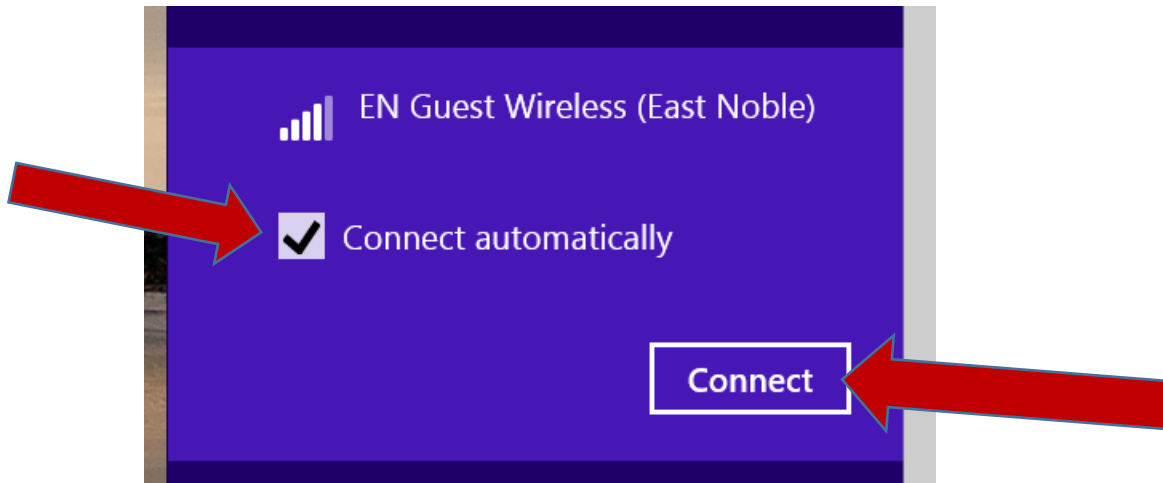

2. Click on the name of your “Home Wi-Fi.”

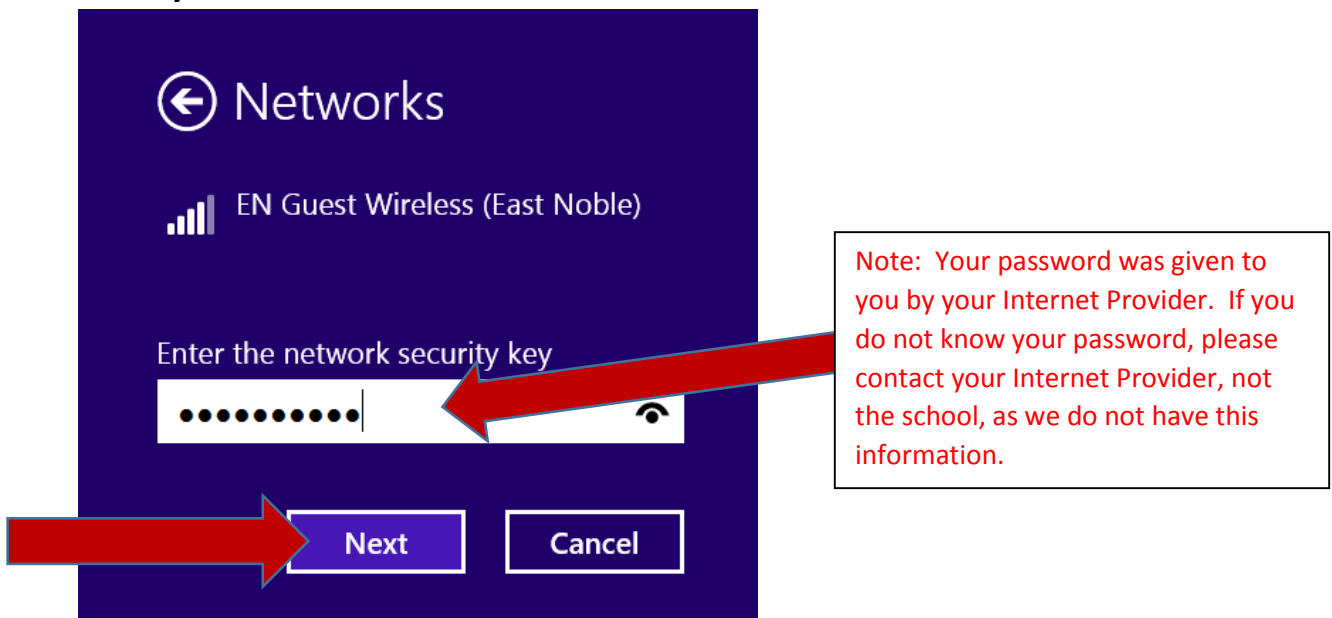

Note: The name of your Wi-Fi is unique to your home; it is not listed in the picture to the left, but will be found in the same location.

3. Make sure “Connect Automatically” is check marked. Then click “Connect.”

4. Enter your “Home Wi-Fi Password”. Then click “Next.”

5. You will now see white “Wi-Fi Bars” in the lower right corner of your screen. You are connected to the internet.
